Property Description

This very large apartment enjoys a convenient village centre location, but benefits also from lovely views to the front and rear, of the village and surrounding mountains. The apartment is located in a small residence, and occupies the entire top floor.

The front door opens onto an entrance hall, with the lounge, kitchen, double bedroom with balcony and separate WC leading off this foyer.

The kitchen is basic and in need of refurbishment, and is fairly small in comparison to the rest of the property. However, there is scope to extend the kitchen into the rear of the property. This area is currently occupied by a large storage area of approximately 20m², which is just waiting for conversion into more useful living space. Alternatively, the kitchen could be opened up into the lounge to make an open-plan living space.

The 30m² living room is dual-aspect, with balconies on both the east and the west side. There is ample space for a lounge and dining area. A corridor leads off the lounge, giving access to a further 2 double bedrooms, a single bedroom and a small room which would could be used as an office, storage, baby's bedroom or conversion into an additional bathroom. The only bathroom is found at the end of the corridor. It is large, but would benefit from refurbishment.

All local amenities (grocery store, butchers, bakers, bank, post office etc) are within easy walking distance, and the nearest skiing is approx 2.5km away, accessible by car or by free shuttle bus.

The exterior of the building is currently being refurbished.

The property is covered by the copropriété rules.
