Property Description

L'Aiglon 5 is a superb three bedroom apartment on the first floor of a small, stylish development of only 12 individual apartments, just a short walk from the ski lifts and the centre of Morzine.

The property is currently part of a managed leaseback arrangement, which makes it an ideal investment opportunity for someone wanting the assurance of a very reasonable return with the flexibility of discounted use for the owner. Each apartment owner is a shareholder in the management company, so the property is managed with the owners' interests foremost. Since the running expenses of the apartment come out of the rental income, the owner can simply enjoy the property during holiday times leaving it to earn a steady return throughout the rest of the letting season.

The apartment provides 82m² of luxury living space including an open plan fully fitted kitchen, lounge and dining area with log burning stove. There are also three double bedrooms with en suite facilities (two with showers and one with a bath/shower), and a separate wc.

The large south facing corner terrace is a perfect place to enjoy the afternoon sun and beautiful views, summer or winter, and is accessed from the lounge and also one of the bedrooms.

The apartment is stylishly fitted out and is sold fully furnished.

There is plenty of storage space in the apartment, as well as a ski locker externally, and the residence offers secure underground parking.

The Aiglon apartments benefit from an attractive reception and communal lounge, with wi-fi connection, and access to a large decked area and landscaped garden. A professional spa run by Mountain Rehab is located in the basement of the building, offering sauna, spa and massage treatments, Pilates and yoga classes and a brand new gym facility with discount for Aiglon owners.

Overall, L'Aiglon 5 combines luxurious holidays for the owner and a real income return!

The property is covered by the copropriété rules.
