Property Description

This super apartment is situated on the 6th floor of the Grand Cerf residence, built in 2006. Located at the top of the building and at the end of the walkway, the apartment has a lovely private feel, with no neighbours above or to the side. The apartment has 2 good-sized double bedrooms and a coin montagne with bunk beds, and can comfortably sleep 6 people. It has a spacious bathroom and separate WC, which helps keep queues for the bathroom to a minimum! The apartment is in immaculate condition and is also sold fully furnished, allowing you to move straight in hassle-free!

The apartment has a west-facing balcony with great views directly overlooking the slopes. You can watch the skiers cruise by in winter, or the cows grazing in summer, whilst you enjoy an early evening drink in the setting sunshine. There is also a cave included in the sale for secure storage of your skis, as well as a designated parking space, handy during the busy school holiday weeks to guarantee you have somewhere to park!

The amenities of the ski resort are a short walk away – bars, restaurants, grocery shops and ski hire shops providing everything you need for your ski holiday. The main ski slope runs right by the building, so you can hop on your skis from the front door and ski down to the cable-car for the first lift!

The ski resort of St Jean d'Aulps is small and friendly, with a lively atmosphere, and offers some really beautiful skiing around the majestic "Roc d'Enfer". A small ice rink and weekly events throughout the winter season add both atmosphere and activity to this charming resort.

The bigger resort of Morzine is under 10 minutes away by car, and also accessible by ski bus, giving access to the full Portes du Soleil ski area.

The property is covered by the copropriété rules.
