The property's idyllic setting, just a 5-minute walk from the picturesque center, boasts breathtaking views of the village and surrounding mountains.

A theme of refined elegance is present throughout this exceptional chalet, offering 164m2 of floor space over three levels, of which 128m2 is classed as liveable space. The upper floor contains three enchanting ensuite bedrooms. The master bedroom, featuring a super king size bed, provides awe-inspiring vistas and an open-style bathroom complete with a bath, shower, and separate toilet. The remaining two bedrooms offer equally indulgent ensuite shower rooms, one with a king size bed and the other with a flexible configuration of either a super king size bed or two single beds.

The middle floor consists of an open plan kitchen, dining, and living area with a wood burning fire place adding to the inviting ambience of this bright and open space. The well-equipped, bespoke oak kitchen caters to the culinary enthusiast, while the large dining table and plush couches offer ample space for gatherings and relaxation. Adorned with large windows that frame stunning mountain panoramas, this floor opens up to two inviting terraces, one featuring a private hot-tub, where you can unwind and soak after a long day on the slopes. There is also an independent WC with wash hand basin close to the main entrance.

On the ground floor, there is a delightful bedroom, perfect for the little ones, complete with a bunk bed, a spacious sofa, an outdoor terrace and garden area and an ensuite shower room. There is also a technical room and a large ski and boot room, with independent exterior access.

Outside there is a covered parking space and a storage room /cellar. Extra visitor's parking is available 10 metres from the chalet.
